Vista:

The screenshot shows a web browser with the URL `127.0.0.1:5500/html/Calculadora%20External.ambda.html`. The page title is "MI CALCULADORA". It features two input fields for "Número 1" and "Número 2", and a "Cambiar imagen" button. Below the inputs, there's a section titled "JS EXTERNO lambda" with four buttons: "SUMAR EXTERNO Completo lambda", "RESTAR EXTERNO Completo lambda", "DIVIDIR EXTERNO Completo lambda", and "MULTIPlicAR EXTERNO Completo lambda". A "resultado" label is next to the multiplication button. At the bottom, it says "Test Conceptos JS" and "TODO LOS DERECHOS RESERVADOS".

The browser's console shows the following output:
